# Words from the President

Hello everyone,

I've had to write this prior to our cruise which is on the 23 July – I hope you all enjoyed it! Things are getting busier as we get to the pointy end of Festival entries closing at the end of this month. Please advise a Festival Committee member of your availability on the day to assist. This would be much appreciated.

I'd like to send a big vot of thanks to Kelly Robson who has successfully restored our Club Web Page – I think it looks really good and is going to be very interactive. SquareSpace have been engaged to manage the maintenance on the site (along with Kelly) – this will stop it crashing or being violated. Now the Club's Constitution is not on there, but it is at every meeting. I know this because I bring it. If you want to see a copy, please come and see the President.

Ian Turner, EI Presidente, QCCC

# Words from the Editor

Hey everybody, how's things?

Hands up if you caught the nasty bug that is going around.....ummm yep, all my family – caring is sharing don't they say lol. This mag is a bit light on. I know, not good enough but cut me a slack month out of the nearly 24 that I have been doing this 😊. I hope you all enjoyed the run, sorry to be absent but hey when there is a birthday to celebrate and Broadbeach calling in this sunshine, I think it's a no brainer 😊

My own big thank you is to Mark Dearlove who has arisen to the challenge of creating the Festival Program Book – a big relief from this 'ol girl Mark, so **THANK YOU.**

A reminder to all our current advertisers in the mag – your ad will be last seen in the September magazine. Advertisers will be those who have supported the Chev Festival as well as those that have "paid" for advertisement. If you want your ad to continue then contact the President.

Try to enjoy this month's light mag and drive safe. Chev's Rule!

Lynne, Editor QCCC

5. Treasurers Report.  
Ian Turner presented the treasurers report in her absence and moved that it be accepted Seconded by Dave Christiansen.

Ian T explained that the balances reported includes deposits intended for the Chev Festival and that there was a meeting of the festival committee on 30 July. If there are any club members who wish to check any figures, they are welcome to attend this meeting.

## 6. President's Report:

- 6.1 Ian T. queried why many members who have indicated they are attending the festival haven't yet entered. It is apparent from the numbers that many of the Southern Chev owners who have attended previous festivals aren't attending this year, possibly because of financial restrictions or too far to travel. Currently we have 104 cars entered.

There was a discussion on the reasons for club members undertaking the tasks of welcome BBQ and Farewell Breakfast at the Festival. The festival committee approached several service clubs and other car clubs but no satisfactory agreement could be found so rather than waste further time trying to find a group, we decided that club members would be able to cover this task if we hired BBQs and Bain Maree to make the task easier. Jan Turner has agreed to coordinate this and will be asking for assistants closer to the date.

On club matters, Ian told members about the Shannons Show and Shine to be held at Willowbank, and that Phil Ross of Shannons had generously donated 3 passes for club members who wished to attend the day. Brad Davies, Wayne Barber and Greg Gorman indicated they would be able to use these passes and a big thanks to Phil Ross.

Greg Webster was absent from this meeting; it was reported to the meeting that an email had been sent to Bob Briggs outlining our position re QHRP but as their meeting was scheduled for later in the month, we had not received any return correspondence.

## 8. Other Business
